RESPONSE TO OFFEROR QUESTIONS

Question 1: Section C.4.1.1. Wireless performance Standards – most of C.4 section covers WAN/LAN, does that mean that Section C.4.1.1. wireless Performance Standards should be Wired instead?

Response: Section C.4.1.1 Wireless Performance Standards on page 6 of the RFP is corrected to read: C.4.1.1 Performance Standards.

Question 2: Please clarify what is required from the E-Rate provider as it relates to their wireless environment.

Response: The E-Rate provider is required to deliver goods and services according to Section C Scope of Work, General Requirements and Technical Specifications.

Question 3: Do you need wired service where wireless is mentioned in the statement of work specifications?

Response: The requested service should support both wired and wireless networks.

Question 4: Do you require 10G dedicated internet service at the handoff or at the endpoint?

Response: 10G dedicated internet service is required at the handoff.

Question 5: What’s required for pricing submission?

Response: Vendors are required to complete and submit the Form of Offer Letter Attachment J.10 to the RFP, as well as USAC E-Rate templates available on USAC website.

Question 6: Who’s your current service provider?

Response: Allied Telecom is the current Internet Service Provider.

Question 7: How would you rate your current service?

Response: The current utilization rate demonstrates that available internet service exceeds the current demand of DCPL.
Question 8: When do you anticipate awarding a new contract?

Response: A new internet service contract is expected to be awarded early in the new year during USAC E-Rate contract window.

Question 9: When does your current contract end?

Question 10: What’s the composition of the RFP evaluation panel?

Response: The technical evaluation panel will be constituted and headed by the Director of Information Technology.

Question 11: How is the CBE requirement evaluated?

Response: See Section M.5 of the RFP.
