Network Infrastructure Upgrade

Dear Ms. Wooden:

On behalf of [INSERT NAME OF OFFEROR] (the “Offeror”), I am pleased to submit this proposal in response to the District of Columbia Public Library (“DCPL”) Request for Proposals (the “RFP”) to provide Network Infrastructure Upgrades for the DC Public Library. We have reviewed the RFP and the attachments thereto, any addenda thereto, and the proposed Form of Contract and have conducted such due diligence and analysis as we, in its sole judgment, have deemed necessary in order to submit its Proposal in response to the RFP. Our Proposal and prices quoted herein are based on the RFP, the Form of Contract and any addenda issued thereto and assume no material alteration of the terms of those documents.

Based on the foregoing, we hereby offer to perform the work described in the documents for the prices set forth below:

B.4 PRICE

B.4.1 The following price schedule shall represent the Contractor’s compensation for the base and option years. DCPL intends to evaluate the price based on total cost for the base year and option years. Contractors shall submit pricing as fully loaded rates, which include profit and all costs such as direct and indirect costs, overhead and G&A. Contractors are required to submit their price proposals on the Item 21b – Internal Connections and Item 21d – Basic Maintenance of Internal Connections templates, located at: <https://www.usac.org/e-rate/applicant-process/applying-for-discounts/fcc-form-471-filing/>, as well as on the Price Sheet Template attached to this Form of Offer Letter. Failure to include a price for all Contract Line Item Numbers (CLINs) on the DCPL Price Sheet Template for the base and four (4) option years, and in all applicable columns of the USAC templates will result in rejection of the proposal.

B.4.2 DCPL will accept proposals for equivalent products so long as it is equivalent to the specified products, as requested in the RFP and associated addenda. It is the respondent's responsibility to demonstrate the equivalency in the RFP response. To be considered, prospective proposers must submit concise and complete information to allow for full evaluation of equipment offered to DCPL.

We acknowledge and understand that the prices quoted herein are firm, fixed prices to fully complete the work described in the RFP and attachments thereto and that such amount includes funding for work which is described in the RFP and attachments thereto.

Our Proposal is based on and subject to the following conditions:

1. We agree to hold our Proposal open for a period of at least one hundred twenty (120) calendar days after the date of proposal submission.
2. Both the Offeror and the undersigned represent and warrant that the undersigned has the full legal authority to submit this offer form and bind the Offeror to the terms of the Offeror's Proposal. The Offeror further represents and warrants that no further action or approval must be obtained by the Offeror in order to authorize the terms of the Offeror's Proposal.
3. The Offeror and its principal team members hereby represent and warrant that they have not: (i) colluded with any other group or person that is submitting a Proposal in response to the RFP in order to fix or set prices; (ii) acted in such a manner so as to discourage any other group or person from submitting a proposal in response to the RFP; or (iii) otherwise engaged in conduct that would violate applicable anti-trust law.
4. This offer form and the Offeror's Proposal are being submitted on behalf of [INSERT FULL LEGAL NAME, TYPE OF ORGANIZATION, AND STATE OF FORMATION FOR THE OFFEROR].

Sincerely,
