Should an Offeror find discrepancies or ambiguities in, or omissions from, the RFP and amendments, addenda or revisions, or otherwise desire an explanation or interpretation of the RFP, any amendments, addenda, or revisions, they must submit a request for interpretation or correction in writing.

L.4.2 Any information given to an Offeror concerning the RFP shall be furnished promptly to all other Offerors as an amendment or addendum to this RFP if in the sole discretion of DCPL that information is necessary in proffering submissions or if the lack of information would be prejudicial to any other prospective Offerors. Oral explanations or instructions given before award of the contract will not be binding.

L.5 FAILURE TO SUBMIT OFFERS

Recipients of this solicitation not responding with an offer should not return this solicitation. Instead, they should advise the Contracting Officer, by letter or postcard whether they want to receive future solicitations for similar requirements. It is also requested that such recipients advise the Contracting Officer, of the reason for not submitting a proposal in response to this solicitation. If a recipient does not submit an offer and does not notify the Contracting Officer, that future solicitations are desired, the recipient's name may be removed from the applicable mailing list.

L.6 RESTRICTION ON DISCLOSURE AND USE OF DATA

L.6.1 Contractors who include in their proposal data that they do not want disclosed to the public or used by the District except for use in the procurement process shall mark the title page with the following legend:

"This proposal includes data that shall not be disclosed outside the District and shall not be duplicated, used or disclosed in whole or in part for any purpose except for use in the procurement process.

If, however, a contract is awarded to this Contractor as a result of or in connection with the submission of this data, the District shall have the right to duplicate, use, or disclose the data to the extent consistent with the District’s needs in the procurement process. This restriction does not limit the District’s rights to use, without restriction,
information contained in this proposal if it is obtained from another source. The data subject to this restriction are contained in sheets (insert page numbers or other identification of sheets).”

L.6.2 Mark each sheet of data it wishes to restrict with the following legend:

“Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal.”

L.7 PROPOSALS WITH OPTION YEARS

The Contractor shall include option year prices in its price/cost proposal. An offer may be determined to be unacceptable if it fails to include option year pricing.

L.8 PROPOSAL PROTESTS

L.8.1 All protests alleging defects in this solicitation shall be governed by Section 4378 of the Department’s Procurement Regulations (19 DCMR § 4378); provide a clear and concise statement of the legal and factual grounds of the protest, including copies of relevant documents, and citations to statutes, regulations or solicitation provisions claimed to be violated; and, be filed in writing with the District of Columbia Contracts Appeals Board (“CAB”), pursuant to title X of the Procurement Practices Reform Act of 2010 (“PPRA”) (D.C. Official Code § 2-360.01 et seq.). Protests alleging defects in this solicitation, which are apparent prior to bid openings, must be filed prior to the time set for receipt of submissions. If an alleged defect does not exist in this initial RFP, but was later incorporated by an amendment or addendum, a protest based on that defect must be filed before the next closing time established for proffering submissions. In all other cases, protests shall be filed not later than ten (10) business days after the basis of protest is known or should have been known, whichever is earlier. To expedite handling of protests, forward courtesy copies of protests to the Department’s Chief Procurement Officer (“CPO”) with “Protest” labeled on the envelope.

L.8.2 This section is intended to summarize the protest procedures and is for the convenience of the Contractors only. To the extent any provision of this section is inconsistent with the Department’s regulations or the PPRA; the more stringent provisions shall apply.

L.9 SIGNING OF OFFERS

The Contractor shall sign the offer and print or type its name on the Solicitation, Offer and Award form of this solicitation. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the Contracting Officer.
L.10 UNNECESSARILY ELABORATE PROPOSALS

Unnecessarily elaborate brochures or other presentations beyond those sufficient to present a complete and effective response to this solicitation are not desired and may be construed as an indication of the Contractor's lack of cost consciousness. Elaborate artwork, expensive paper and bindings, and expensive visual and other presentation aids are neither necessary nor desired.

L.11 RETENTION OF PROPOSALS

All proposal documents shall be the property of DCPL and retained by DCPL, and therefore shall not be returned to the Contractors.

L.12 NO COMPENSATION FOR PREPARATION OF SUBMISSIONS

DCPL shall not bear or assume any financial obligations or liabilities regarding the preparation of any submissions submitted in response to this RFP, or prepared in connection therewith, including, but without limitation, any submissions, statements, reports, data, information, materials or other documents or items.

L.13 ELECTRONIC COPY OF PROPOSALS FOR FREEDOM OF INFORMATION ACT REQUESTS

In addition to other proposal submission requirements, the Contractor must submit an electronic copy of its proposal, redacted in accordance with any applicable exemptions from disclosure in D.C. Official Code § 2-534, in order for the District to comply with Section 2-536(b) that requires the District to make available electronically copies of records that must be made public. The District’s policy is to release documents relating to District proposals following award of the contract, subject to applicable FOIA exemption under Section 2-534(a)(1).

L.14 CERTIFICATES OF INSURANCE

The Contractor shall submit certificates of insurance giving evidence of the required coverages as specified in Section I.8 prior to commencing work.

L.15 ACKNOWLEDGMENT OF AMENDMENTS

The Contractor shall acknowledge receipt of any amendment to this solicitation (a) by signing and returning the amendment; (b) by identifying the amendment number and date in the space provided for this purpose in Section A, Solicitation, Offer and Award form; or (c) by letter or telegram including mailgrams. The District must receive the acknowledgment by the date and time specified for receipt of offers. Contractors' failure to acknowledge an amendment may result in rejection of the offer.
L.16 BEST AND FINAL OFFERS

If, subsequent to receiving original proposals, negotiations are conducted, all Contractors within the competitive range shall be so notified and shall be provided an opportunity to submit written best and final offers at the designated date and time. Best and Final Offers shall be subject to the Late Submissions, Late Modifications and Late Withdrawals of Proposals provision of the solicitation. After receipt of best and final offers, no discussions shall be reopened unless the Contracting Officer determines that it is clearly in the District’s best interest to do so, e.g., it is clear that information available at that time is inadequate to reasonably justify Contractor selection and award based on the best and final offers received. If discussions are reopened, the Contracting Officer shall issue an additional request for best and final offers to all Contractors still within the competitive range.

L.17 LEGAL STATUS OF CONTRACTOR

Each proposal must provide the following information:

L.17.1 Name, address, telephone number and federal tax identification number of Contractor;

L.17.2 A copy of each District of Columbia license, registration or certification that the Contractor is required by law to obtain. This mandate also requires the Contractor to provide a copy of the executed “Clean Hands Certification” that is referenced in D.C. Official Code §47-2862 (2001), if the Contractor is required by law to make such certification. If the Contractor is a corporation or partnership and does not provide a copy of its license, registration or certification to transact business in the District of Columbia, the offer shall certify its intent to obtain the necessary license, registration or certification prior to contract award or its exemption from such requirements; and

L.17.3 If the Contractor is a partnership or joint venture, the names and addresses of the general partners or individual members of the joint venture, and copies of any joint venture or teaming agreements.

L.18 FAMILIARIZATION WITH CONDITIONS

Contractors shall thoroughly familiarize themselves with the terms and conditions of this solicitation, acquainting themselves with all available information regarding difficulties which may be encountered, and the conditions under which the work is to be accomplished. Contractors shall not be relieved from assuming all responsibility for properly estimating the difficulties and the cost of performing the services required herein due to their failure to investigate the conditions or to become acquainted with all information, schedules and liability concerning the services to be performed.
L.19  **STANDARDS OF RESPONSIBILITY**

L.19.1 The prospective contractor must demonstrate to the satisfaction of the District the capability in all respects to perform fully the contract requirements; therefore, the prospective contractor must submit the documentation listed below, within seven (7) calendar days of the request by the District.

L.19.2 Evidence of adequate financial resources, credit or the ability to obtain such resources as required during the performance of the contract.

L.19.3 Evidence of the ability to comply with the required or proposed delivery or performance schedule, taking into consideration all existing commercial and governmental business commitments.

L.19.4 Evidence of the necessary organization, experience, accounting and operational control, technical skills or the ability to obtain them.

L.19.5 Evidence of compliance with the applicable District licensing and tax laws and regulations.

L.19.6 Evidence of a satisfactory performance record, record of integrity and business ethics.

L.19.7 Evidence of the necessary production, construction and technical equipment and facilities or the ability to obtain them.

L.19.8 Evidence of other qualifications and eligibility criteria necessary to receive an award under applicable laws and regulations.

L.19.9 If the prospective contractor fails to supply the information requested, the Contracting Officer shall make the determination of responsibility or nonresponsibility based upon available information. If the available information is insufficient to make a determination of responsibility, the Contracting Officer shall determine the prospective contractor to be non-responsible.

L.20  **ORAL PRESENTATIONS**

L.20.1 DCPL does not intend to interview; however, it reserves the right to do so if it determines that interviews would be in DCPL’s best interests. If DCPL conducts such interviews, each Offeror within the competitive range shall make an oral presentation to DCPL’s Evaluation Committee, and participate in a question and answer session. The purpose of the oral presentation and the question and answer session is to permit the Evaluation Committee to fully understand and assess the qualifications of each Offeror and the Offeror’s key personnel. The submission will be re-scored at the conclusion of the oral presentation.
L.20.2 **Length of Oral Presentation** - Each Offeror will be given up to thirty (30) minutes to make the presentation. At the end of the initial presentation, there will be a break for approximately fifteen (15) minutes for the Evaluation Committee to assess the presentation and prepare questions. The Offeror will then respond to questions from DCPL’s Evaluation Committee for no more than thirty (30) minutes.

L.20.3 **Schedule** - The order of presentation will be selected randomly and the Offerors will be informed of their presentation date before the beginning of oral presentations. DCPL reserves the right to reschedule any Offeror’s presentation at the discretion of the Chief Procurement Officer.

L.20.4 **Offeror Attendees** - The oral presentation will be made by the Offeror’s personnel who will be assigned the key jobs for this project. Each Offeror will be limited to eight (8) persons. The job functions of the persons attending the presentation will be considered to be an indication of the Offeror’s assessment of the key areas of responsibility that are deemed essential to the successful completion of the Project.

L.20.5 **Topics** - The Offeror may present information about its capabilities and special qualifications to serve as the Contractor for this Project, including the qualifications of key personnel.

L.21 **RESTRICTED COMMUNICATIONS**

Upon release of this RFP, potential Offerors shall not communicate with the Technical Evaluation Panel or any DCPL or District government staff about the RFP or issues related to the RFP except as authorized in this RFP or in public meetings called in connection with this RFP.

L.22 **NO CONFLICTS OF INTEREST**

L.22.1 In its response to this RFP, the Offeror shall represent and warrant the following to the District:

L.22.1.1 No person or entity employed by the District or otherwise involved in preparing this RFP on behalf of the District (i) has provided any information to potential Offerors which was not made available to all entities potentially responding to this RFP, (ii) is affiliated with or employed by or has any financial interest in any potential Offeror, (iii) has provided any assistance to potential Offerors in responding to this RFP, or (iv) will benefit financially if any Offeror is selected in response to this RFP.

L.22.1.2 Offeror has not offered or given to any District officer or employee any gratuity or anything of value intended to obtain favorable treatment under this RFP or any other solicitation or other contract, and Offeror has not taken any action to induce any DCPL or District officer or employee to violate the rules of ethics governing the
District and its employees. Offeror has not and shall not offer, give or agree to give anything of value either to the District or any of its employees, agents, job shoppers, consultants, managers or other person or firm representing the District, or to a member of the immediate family (i.e., a spouse, child, parent, brother or sister) of any of the foregoing. Any such conduct shall be deemed a violation of this RFP. As used herein, “anything of value” shall include but not be limited to any (i) favors, such as meals, entertainment, transportation (other than that contemplated by this RFP, if any, or any other contract with the District), etc., which might tend to obligate a District employee to Offeror, and (ii) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment or business opportunity. Such term shall not include work or services rendered pursuant to any other valid District contract.

L.22.1.3 Offeror shall report to the District directly and without undue delay any information concerning conduct which may involve: (i) corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority; or (ii) any solicitation of money, goods, requests for future employment or benefit of thing of value, by or on behalf of any government employee, officer or public official, any Offeror employee, officer, agent, subcontractor, or labor official, or other person for any purpose which may be related to the procurement of this RFP by Offeror, or which may affect performance in response to this RFP in any way.

L.22.1.4 Neither Offeror or any subcontractor or affiliate thereof, nor any employee of any of them, shall retain any material or items of any kind salvaged from DCPL sites as memorabilia or souvenirs or otherwise.
SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The contract shall be awarded to the responsible Contractor whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores shall not necessarily be determinative of the award. Rather, the total scores shall guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

<table>
<thead>
<tr>
<th>Numeric Rating</th>
<th>Adjective</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>Unacceptable</td>
<td>Fails to meet minimum requirements; e.g., no demonstrated capacity, major deficiencies which are not correctable; offeror did not address the factor.</td>
</tr>
<tr>
<td>1</td>
<td>Poor</td>
<td>Marginally meets minimum requirements; major deficiencies which may be correctable.</td>
</tr>
<tr>
<td>2</td>
<td>Minimally Acceptable</td>
<td>Marginally meets minimum requirements; minor deficiencies which may be correctable.</td>
</tr>
<tr>
<td>3</td>
<td>Acceptable</td>
<td>Meets requirements; no deficiencies.</td>
</tr>
<tr>
<td>4</td>
<td>Good</td>
<td>Meets requirements and exceeds some requirements; no deficiencies.</td>
</tr>
<tr>
<td>5</td>
<td>Excellent</td>
<td>Exceeds most, if not all requirements; no deficiencies.</td>
</tr>
</tbody>
</table>

M.2.2 The technical rating is a weighting mechanism that will be applied to the point value for each evaluation factor to determine the Offeror’s score for each factor. The Offeror’s total technical score will be determined by adding the Offeror’s score in each evaluation factor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, if the District
evaluates the Offeror’s response as “Good,” then the score for that evaluation factor is 4/5 of 40 or 32.

If subfactors are applied, the Offeror’s total technical score will be determined by adding the Offeror’s score for each subfactor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, with two (2) subfactors of twenty (20) points each, using the Technical Rating Scale above, if the District evaluates the Offeror’s response as “Good” for the first subfactor and “Poor” for the second subfactor, then the total score for that evaluation factor is 4/5 of 20 or 16 for the first subfactor plus 1/5 of 20 or 4 for the second subfactor, for a total of 20 for the entire factor.

M.3 EVALUATION CRITERIA
[The total sum of the maximum points for Technical Criteria and Price Criterion must be 100 points.]

Proposals will be evaluated based on the following evaluation factors in the manner described below:

M.3.1 TECHNICAL CRITERIA (70 Points Maximum)

M.3.1.1 Factor 1 – Qualifications, Experience & Capabilities Providing E-Rate Goods and Services (0 - 20 Points)

M.3.1.1.2 DCPL desires to engage a Contractor with the experience necessary to realize the objectives set forth in this RFP. Offerors will be evaluated based on their demonstrated experience in areas pertinent to the services specified in Section C.

M.3.1.1.3 The Offeror shall submit with the proposal, references from three (3) customers. References shall be from customers with requirements similar to those of DCPL. References shall include information about the contract (specific products in use, date of contract execution, "go live" date and any other services provided), as well as contact information for the customer's Project Manager or other senior staff members familiar with the project. DCPL reserves the right to contact these references and discuss the customer’s level of satisfaction with the provider and its services.

M.3.1.1.4 DCPL desires that the Contractor assigns to the project personnel who have the necessary experience and professional credentials for the role each such individual is assigned. The availability and experience of the key personnel assigned to this project will be evaluated as part of this factor.

M.3.1.1.5 The Offeror shall set forth in its proposal the names and reporting relationships of the Key Personnel the Offeror will use to perform the work under the contract. The Offeror’s proposal shall include resumes for the proposed Key Personnel and
percentage of time each will be devoted to the contract. The resumes shall contain, at a minimum: company name/address; telephone number; points of contact; duties performed by individual personnel; dates employed; qualifications; experience; skills; availability; and credentials (education, training and certifications).

M.3.1.1.6 Key Personnel shall serve in their specified roles unless DCPL approves of the proposed replacement in writing.

M.3.1.2 Factor 2 – Prior Experience with DCPL (0 - 25 Points)

The Offeror shall set forth in its proposal, details of prior experience providing e-rate eligible goods and services to DCPL.

M.3.1.3 Factor 3 - CBE Utilization Plan (0 - 25 Points)

DCPL desires the selected Contractor to provide the maximum level of participation for Local, Small and Disadvantaged Business Enterprises as well as employment opportunities for District of Columbia residents. Offerors shall submit a LSDBE Utilization Plan that describes demonstrated past LSDBE utilization experience and/or how this goal will be met.

Total Technical Points = 70 Points

M.3.2 PRICE CRITERION (30 Points Maximum)
(0 - 30 Points)

The price evaluation will be objective. The Contractor with the lowest price for the base and four (4) option years will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each Contractor's evaluated price score:

\[
\text{Evaluated Price Score} = \frac{\text{Lowest Price Proposal}}{\text{Price of Proposal Being Evaluated}} \times 30
\]

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2 (12 Points Maximum)

M.3.4 TOTAL POINTS (112 Points Maximum)

Total points shall be the cumulative total of the Offeror’s technical criteria points, price criterion points and preference points, if any.
M.3 EVALUATION OF OPTION YEARS

The District shall evaluate offers for award purposes by evaluating the total price for all options as well as the base year. Evaluation of options shall not obligate the District to exercise them. The total District’s requirements may change during the option years. Quantities to be awarded shall be determined at the time each option is exercised.

M.4 EVALUATION OF PROMPT PAYMENT DISCOUNT

M.4.1 Prompt payment discounts shall not be considered in the evaluation of offers. However, any discount offered shall form a part of the award and shall be taken by the District if payment is made within the discount period specified by the Contractor.

M.4.2 In connection with any discount offered, time shall be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.

M.5 PREFERENCES FOR CERTIFIED BUSINESS ENTERPRISES

Under the provisions of the “Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005”, as amended, D.C. Official Code § 2-218.01 et seq. (the Act), the District shall apply preferences in evaluating proposals from businesses that are small, local, disadvantaged, resident-owned, longtime resident, veteran-owned, local manufacturing, or local with a principal office located in an enterprise zone of the District of Columbia.

M.5.1 Application of Preferences

For evaluation purposes, the allowable preferences under the Act for this procurement shall be applicable to prime contractors as follows:

M.5.1.1 Any prime contractor that is a small business enterprise (SBE) certified by the Department of Small and Local Business Development (DSLBD) will receive the addition of three points on a 100-point scale added to the overall score for proposals submitted by the SBE in response to this Request for Proposals (RFP).

M.5.1.2 Any prime contractor that is a resident-owned business (ROB) certified by DSLBD will receive the addition of five points on a 100-point scale added to the overall score for proposals submitted by the ROB in response to this RFP.

M.5.1.6 Any prime contractor that is a disadvantaged business enterprise (DBE) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score for proposals submitted by the DBE in response to this RFP.

M.5.1.7 Any prime contractor that is a veteran-owned business (VOB) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score for proposals submitted by the VOB in response to this RFP.

M.5.1.8 Any prime contractor that is a local manufacturing business enterprise (LMBE) certified by DSLBD will receive the addition of two points on a 100-point scale added to the overall score for proposals submitted by the LMBE in response to this RFP.

M.5.2 Maximum Preference Awarded

Notwithstanding the availability of the preceding preferences, the maximum total preference to which a certified business enterprise is entitled under the Act is the equivalent of twelve (12) points on a 100-point scale for proposals submitted in response to this RFP. There will be no preference awarded for subcontracting by the prime contractor with certified business enterprises.

M.5.3 Preferences for Certified Joint Ventures

When DSLBD certifies a joint venture, the certified joint venture will receive preferences as a prime contractor for categories in which the joint venture and the certified joint venture partner are certified, subject to the maximum preference limitation set forth in the preceding paragraph.
M.5.4 Verification of Offeror’s Certification as a Certified Business Enterprise

M.5.4.1 Any vendor seeking to receive preferences on this solicitation must be certified at the time of submission of its proposal. The contracting officer will verify the Offeror’s certification with DSLBD, and the Offeror should not submit with its proposal any documentation regarding its certification as a certified business enterprise.

M.5.4.2 Any vendor seeking certification or provisional certification in order to receive preferences under this solicitation should contact the:
