SECTION A - HISTORY AND BACKGROUND

The District of Columbia Public Library (DCPL) system is an independent agency comprised of twenty-six (26) libraries and offers services and programs in other venues throughout the District. The flagship Martin Luther King Jr. Memorial Central Library (MLK) reopened on September 24, 2020 after undergoing a complete modernization.

Twenty-two (22) of the twenty-six (26) libraries have either been totally reconstructed, fully renovated, are in design, will soon be entering the construction phase or are scheduled for capital improvement within the next few years. These iconic buildings have been designed by some of the most renowned architects in the world and have won numerous awards. They were designed and constructed in accordance with LEED standards and requirements and the District of Columbia Green Building Act of 2006.

These buildings reflect the transformative nature of libraries and encompass what a 21st-century state-of-art library should be. The libraries are open seven (7) days per week and receive approximately four million (4,000,000) annual visits. This number is expected to rise now that MLK is reopened. It is important to note that one (1) library is open in each of the eight (8) wards on Columbus Day, Veteran’s Day, Martin Luther King’s Day, Presidents Day, and Emancipation Day.

To ensure that DCPL continues to provide the quality of library services that District residents deserve, the library has developed and is implementing the DC Public Library “Know Your Neighborhood” Strategic Plan (2017-2021). (The plan can be viewed at https://www.dclibrary.org/strategicplan.) The work for which this Invitation for Bids (IFB) is issued aligns with this initiative as clean and safe spaces are critical to providing quality programs and services.
SECTION B: CONTRACT TYPE, SUPPLIES OR SERVICES AND PRICE/COST

B.1 The District of Columbia Public Library (DCPL) is issuing this IFB to engage a qualified Contractor to furnish all labor, management, supervision, equipment, materials and supplies necessary to provide janitorial services at the twenty-one (21) neighborhood libraries listed in Section B.3.

B.1.1 The District contemplates award of one (1) fixed-price contract per DCPL Regulations.

B.1.2 The term of this 120-day emergency contract will be from November 9, 2020, through March 8, 2021.

B.2 DESIGNATION OF SOLICITATION FOR THE SMALL BUSINESS SET-ASIDE MARKET ONLY

B.2.1 This IFB is designated only for certified small business enterprises (SBE) under the provisions of the “Small and Certified Business Enterprise Development and Assistance Act of 2014”, D.C. Official Code § 2-218.01 et seq., as amended.

B.2.2 This IFB is being issued in the Set-Aside Market with no subcontracting requirement for contracts in excess of $250,000, in accordance with Paragraph H.9. Contractors that are certified by the District of Columbia, Department of Small and Local Business Development (DSLBD) will receive preference points during the evaluation process in accordance with Section M.1.

B.3 PRICE SCHEDULE

The following price schedule shall represent the Bidder’s compensation for this emergency contract. Bidders shall submit pricing as fully loaded rates, which include profit and all costs such as direct and indirect costs, overhead and G&A. Failure to include a price for all Contract Line Item Numbers (CLIN) will result in rejection of the bid. The Additional Services price schedule represents an hourly rate for Porter Services should services be requested for special events (See Section C.5.5).

B.3.1 Schedule A Library Locations

Listed below are the fourteen (14) libraries that are opened for select services five (5) days a week – Monday through Friday from 11:00 am to 7:00 pm.
