If such condition is temporary, a medical exemption may only be granted until the date on which taking the vaccine would no longer be medically inadvisable; or

I.14.2.2.6 The Contractor agrees to permit access to his books, records and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of Human Rights or designee, for purposes of investigation to ascertain compliance with this chapter, and to require under terms of any subcontractor agreement each subcontractor to permit access of such subcontractors’ books, records, and accounts for such purposes.

I.14.2.2.7 The Contractor agrees to comply with the provisions of this chapter and with all guidelines for equal employment opportunity applicable in the District of Columbia adopted by the Director of the Office of Human Rights, or any authorized official.

I.14.2.2.9 The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or Contractor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.

Official Code § 2-534, in order for the District to comply with Section 2-536(b) that requires the District to make available electronically copies of records that must be made public. Best and Final Offers shall be subject to the Late Submissions, Late Modifications and Late Withdrawals of Proposals provision of the solicitation. After receipt of best and final offers, no discussions shall be reopened unless the Contracting Officer determines that it is clearly in the District's best interest to do so, e.g., it is clear that information available at that time is inadequate to reasonably justify Contractor selection and award based on the best and final offers received. SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The contract shall be awarded to the responsible Contractor whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores shall not necessarily be determinative of the award. Rather, the total scores shall guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 EVALUATION CRITERIA

[The total sum of the maximum points for Technical Criteria and Price Criterion must be 100 points.]

Proposals will be evaluated based on the following evaluation factors in the manner described below:

References shall include information about the contract (specific products in use, date of contract execution, "go live" date and any other services provided), as well as contact information for the customer's Project Manager or other senior staff members familiar with the project. DCPL
reserves the right to contact these references and discuss the customer’s level of satisfaction with the provider and its services.

**M.2.1.7** DCPL desires that the Contractor assigned to this project personnel who have the necessary experience and professional credentials for the role each such individual is assigned. The availability and experience of the key personnel assigned to this project will be evaluated as part of this factor.

**M.2.1.8** The Offeror shall set forth in its proposal the names and reporting relationships of the Key Personnel the Offeror will use to perform the work under the contract. The Offeror’s proposal shall include resumes for the proposed Key Personnel and percentage of time each will be devoted to the contract. (0-4 Points)

The price evaluation shall be objective. The Contractor with the lowest price for the base and four (4) option years shall receive the maximum price points. All other proposals shall receive a proportionately lower total score. The following formula shall be used to determine each Contractor’s evaluated price score:

\[

Total possible points = 112

**M.3** **EVALUATION OF OPTION YEARS**

M.4 EVALUATION OF PROMPT PAYMENT DISCOUNT

M.4.1 Prompt payment discounts shall not be considered in the evaluation of offers. However, any discount offered shall form a part of the award and shall be taken by the District if payment is made within the discount period specified by the Contractor.

M.4.2 In connection with any discount offered, time shall be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.
