## Books from Birth/Imagination Library

### Registration

Please complete the form below to register the eligible children in your household for the Books from Birth Program. You must have a DC home address and your child or children must be ages birth to 5 to register (born after November 17, 2012). Once you have registered, you should receive an email from Dolly Parton's Imagination Library confirming your approval. Again this email will NOT come from the DC Public Library but from Dolly Parton's Imagination Library.

If you would like to find out more, visit <http://dclibrary.org/freebooks>.

You understand that to register a child online with [imaginationlibrary.com](http://imaginationlibrary.com) you must be the parent or legal guardian of that child.

You understand that you are creating an account with Dolly Parton's Imagination Library for which you are responsible. Also note that from time to time the email you entered will be used to send important account information but will never be used for any purpose not related to our program.
